

TOWN OF TRUMBULL

SENIOR CITIZEN DISCOUNT PROGRAM

In collaboration with The First Selectman's Office, The Director of Senior Services, The Economic & Community Development Director and The Senior Citizen Commission, the Town of Trumbull is pleased to introduce the *Senior Discount Program* for Trumbull residents 65+. The program's purpose is to increase patronage at our local establishments, many of which are Trumbull owned and managed, while at the same time offering an incentive for our senior residents to shop and eat locally.

To receive your discount, simply show the participating business your ID demonstrating that you are a Trumbull resident over the age of 65.

Please support the *Senior Discount Program Partners*. You may visit the Town website www.trumbull-ct.gov to see updates to the program. Questions – contact Mary Isaac mfict@aol.com

Discount cannot be combined with other offers/specials. Business owners have the right to change their policies at any time.
